Dear Sire

Santa Pe, New Mexico,

October 23, 1898.

Hon. John A. T. Hull,

Desmoines, Iowa.

I end you, in this sail and under separate cover, a printed copy of the Brief; have prepared in my case under Bill, H. R. 0640, which was so kindly introduced in the House for me by the Hon, Hichael Griffin, at the last segation of Congress.

In May last I submitted to you and to the nonzers of the Sub-Cornities a type-written copy of a Brief I had hastily prepared in Washington. I have carefully rewritten and revised that Brief and row sent you a copy for your perusal and consideration. In section to Courses with my ware, if do so because

In coming to Compress with my owner, it do so because there is no individual or other tribural to which I come gas, not official or other official body with power to review the case and grant or refuse up partition. In coming to you, to the Committee and to Congress, I do not ack that aught be done for me from notives of more sympathy and yet I cannot help feeling that all of us one and do sympathic with those who have been wronged. I am stars that, after reading my miset through, you will understand appreciate the strangle I made to rise show the station to which I was born, how I won my my through News Joint and how I made as homestale a record in the Arm as my officier in ta, is spite of
